As set forth by regulation, a pendent qualifier is required to establish his plenary qualification within 18 months.

By letter report dated November 14, 2012, the Division of Gaming Enforcement (Division) reported on the results of its investigation into Mr. Isaacs' qualification. The Division's report asserts that he has established his financial stability, integrity and responsibility and good character, honesty and integrity and should, therefore, be deemed to have established his plenary qualification in connection with the casino service industry enterprise applicant.
